Step 5: Network, search for attendees, mark leads, update your profile and download the mobile app

The screenshot shows the mobile app interface with a navigation bar at the top containing HOME, AGENDA, SPEAKERS, COMMUNITY, SPONSORS, and MORE. A profile picture in the top right corner is circled in red with an arrow pointing to it and the text "Update your profile".

On the left side, there is a "SEARCH" section with a search bar and a "GROUP SEARCH" section with filters for Job Title, Organization, Function, Industry, Country, and Interests. Below this is a "SORT BY" section with options: Recently Joined, Name (A-Z), Company (A-Z), and Most Viewed. At the bottom left is a "FILTER BY" section with options: All Attendees, My Connections, Suggested Leads, My Leads, and Who Viewed My Profile.

The main content area displays a grid of attendee profiles. Each profile includes a circular avatar with initials, the attendee's name and title, and buttons for "SEND MESSAGE" and "MARK AS LEAD".
